

Bootcamp Module 1

Part A:

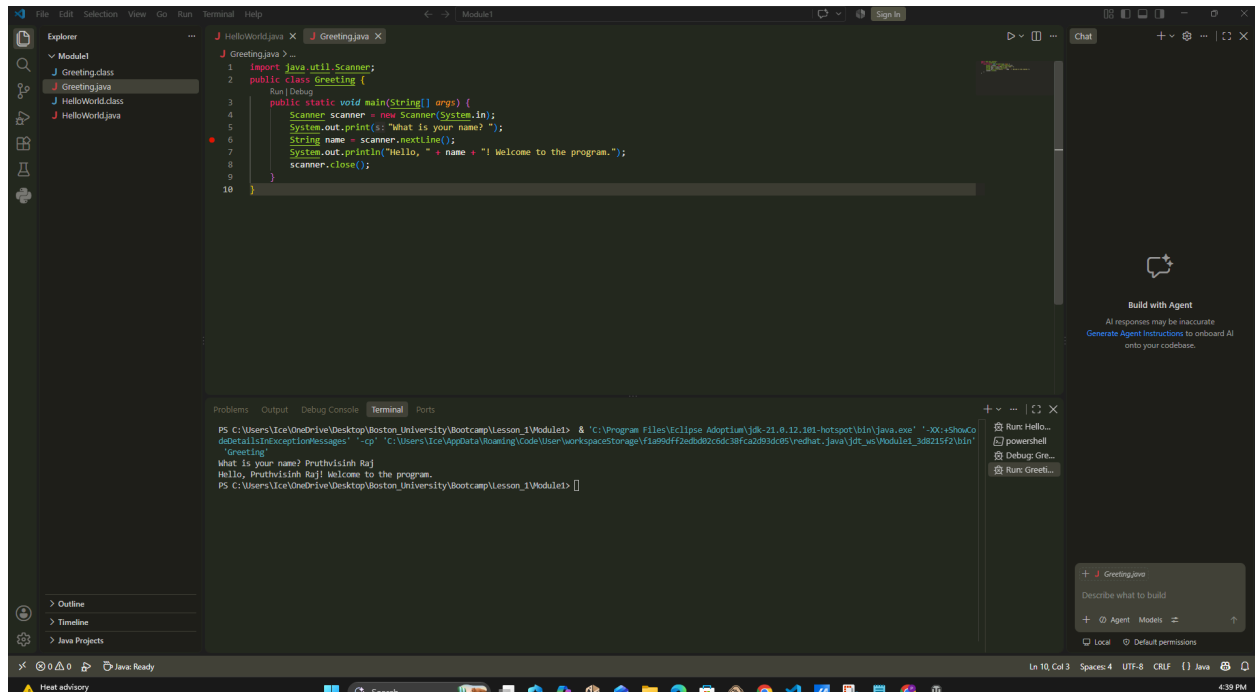

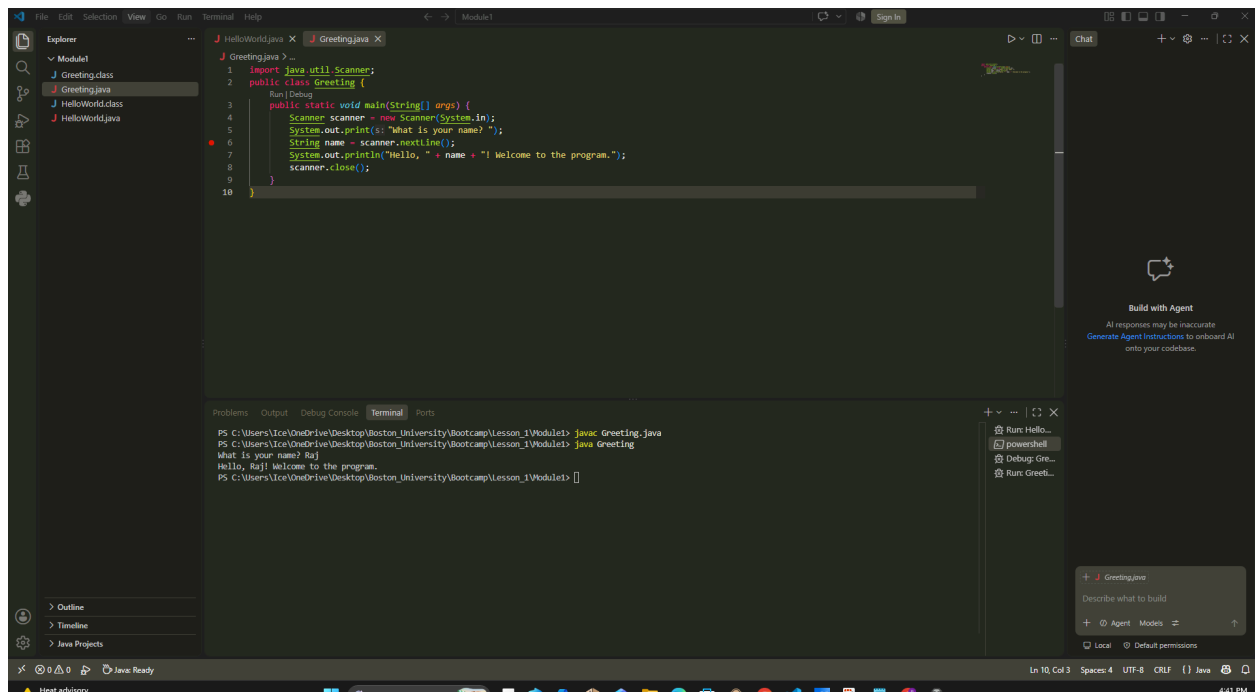

Finalized Screenshot:

Part B:

Part B requested screenshot:

Part B above and beyond:

The screenshot shows an IDE with a Java file named `Greeting.java` open. The code is as follows:

```
1 import java.util.Scanner;
2 public class Greeting {
3     public static void main(String[] args) {
4         Scanner scanner = new Scanner(System.in);
5         System.out.print("What is your name? ");
6         String name = scanner.nextLine();
7         System.out.println("Hello, " + name + "! Welcome to the program.");
8         System.out.print("What is do you do for work? ");
9         String occupation = scanner.nextLine();
10        System.out.println("Hello, " + name + "! As a " + occupation + ", you are in exactly the right place.");
11        scanner.close();
12        scanner.close();
13    }
14 }
```

The terminal output shows the program being executed with the following interactions:

```
PS C:\Users\Ice\OneDrive\Desktop\Boston_University\Bootcamp\Lesson_1\Module1> java Greeting
What is your name? Sarah
Hello, Sarah! As a software engineer, you are in exactly the right place.
PS C:\Users\Ice\OneDrive\Desktop\Boston_University\Bootcamp\Lesson_1\Module1> java Greeting
What is do you do for work? a
Hello, a! As a software engineer, you are in exactly the right place.
PS C:\Users\Ice\OneDrive\Desktop\Boston_University\Bootcamp\Lesson_1\Module1> java Greeting
What is do you do for work? a
Hello, a! Welcome to the program.
PS C:\Users\Ice\OneDrive\Desktop\Boston_University\Bootcamp\Lesson_1\Module1> java Greeting
What is your name? Pruthvisinh Raj
Hello, Pruthvisinh Raj! Welcome to the program.
PS C:\Users\Ice\OneDrive\Desktop\Boston_University\Bootcamp\Lesson_1\Module1> java Greeting
What is do you do for work? Software Developer
Hello, Pruthvisinh Raj! As a Software Developer, you are in exactly the right place.
PS C:\Users\Ice\OneDrive\Desktop\Boston_University\Bootcamp\Lesson_1\Module1> 
```

The IDE interface includes an Explorer panel on the left showing the project structure, a Run and Debug panel on the right, and a Chat panel at the bottom right. The status bar at the bottom indicates the file is at line 14, column 3, and the IDE is ready for Java.
